

Keynote Speech **The Superhero Factor**

Tom's core message appeals to all organizations who want their people to become dynamic, confident and productive in their daily roles

Did Spider-man pause when The Green Goblin was flinging Pumpkin Bombs at Him? Did Superman wait when Lex Luthor, his arch nemesis, was about to destroy the world? Did Wonder Woman hesitate to fling her golden lasso ...No. of course, not. Like all superheroes, they instantly exploded with power to crush their villains!

Tom Believes...

We are all superheroes, and when we use explode with courage, conviction and tenacity, we will unleash our superpowers, crush our villains and ignite our lives.

Tom Teaches...

How comic book superhero concepts relate to proven life strategies that your people can use immediately to improve all aspects of their personal and professional lives.

Tom's Style is...

dynamic, creative, and entertaining...he is passionate in his desire to help people... he speaks from the heart and his stories are fun and inspiring.

Tom's effect on people...

Life changing!
